Thailand Post's Announcement

Subject: Emergency Situation Surcharge during the COVID-19

In the face of the unavoidably incremental linehaul costs posed by the current global COVID-19 pandemic, Thailand Post Co., Ltd. ; in order to ensure its operational continuity, needs to collect the Emergency Situation Surcharges for its international outbound letter-post items sent by air as follows :

Service	Emergency Situation Surcharge (No VAT) (Baht / piece)
International Letter and Printed Matters	No Surcharge
International Small Packet	40

The rates will be effective from 1st October 2020 or until any further notice.
